Our Story

What began as a UAE operation providing marine services under the name SAFEEN Group, has evolved into Noatum Maritime, a global powerhouse offering end-to-end solutions for the maritime sector. This transformation was driven by strategic expansion, acquisitions, and partnerships with industry leaders. Our fast-paced growth and comprehensive maritime portfolio

Shipping & Transshipment

We offer integrated shipping solutions across multiple sectors, ensuring cost-effective and efficient transport across global markets. With reliable and efficient shipping services and a young, versatile fleet, we cater to a wide range of industries.
